

What are Your Superpowers?

While we may wish that we could fly, become invisible, etc. we have developed or were born with powers in order to thrive so far. Feel free to add your own, too.

To learn what some of yours are, we will make this easy. Go through this list and cross off any that do not resonate. Then, find about five that do resonate and select one to three that either someone has shared that you have or you think are things you do way better than others.

.MANIFESTING: Able to turn ideas into real things. Can transform dreams into reality.

GROUNDING: Can calm and stabilize chaotic and frenzied environments.

DECISIVENESS: Can make decisions confidently in any situation.

FORM: Able to create order out of chaos. Can see systems in any situation.
